

Novel Food Catalogue - Statuses

NOT NOVEL IN FOOD - According to the information available to the Member States' competent authorities, this product was used for human consumption to a significant degree within the Union before 15 May 1997. Thus, it is not considered to be 'novel' according to the provisions of the Novel Food Regulation (EU) 2015/2283 and its access to the market is not subject to the pre-market authorisation in accordance with Regulation (EU) 2015/2283.

However, other legislation may restrict the placing on the market of this product as a food in the EU or in some Member States. Therefore, it is recommended to check with the **competent authority(ies)** of the Member State(s).

NOT NOVEL IN FOOD SUPPLEMENTS - According to the information available to Member States' competent authorities, this product was used in food supplements in the EU before 15 May 1997. Therefore, its use in food supplements is not considered to be novel and is not subject to the pre-market authorisation in accordance with Regulation (EU) 2015/2283.

Any other food uses of this product, other than as, or in, food supplements, might be considered to be novel and consequently might need to be authorised pursuant to the requirements of the Novel Food Regulation (EU) 2015/2283 before they can be placed as food on the EU market.

In addition, other legislation may restrict the placing on the market of this product as a food in the EU or in some Member States. Therefore, it is recommended to check with the **competent authority(ies)** of the Member State(s).

NOVEL FOOD - According to the information available to Member States' competent authorities, this product was not consumed in the EU to a significant degree as a food before 15 May 1997. Therefore, a pre-market authorisation in accordance with Regulation (EU) 2015/2283 is required before it can be placed as food on the EU market.

AUTHORISED NOVEL FOOD - This is an authorised novel food and it has been included in the Union list established by Commission Implementing Regulation (EU) 2017/2470.

Please see the authorisation for this novel food on the following link (https://ec.europa.eu/food/safety/novel_food/authorisations/union-list-novel-foods_en) to identify under what conditions of use (table 1) and specifications (table 2) this novel food can be placed on the EU market.
